every 2nd and 4th Tuesday
9 a.m.—1 p.m.

CONTACT AND CONTRIBUTE

Huggate News is produced by Jenny Zarek and Teresa Purdy. If you would like to receive future editions by email, please send us your email address.

You can contact Huggate News by email at huggatenews@btinternet.com, or in writing c/o Horsedale House or Orchard House. What we write is only as good as what you tell us, so **PLEASE send news** of events, opinions, comments—anything to share with your neighbours.

THE WINDOW IS BACK

Thanks to the generosity of Huggate residents, the east window of the church is now repaired and restored, and ready for another 150 years of life. Last year's fundraising efforts provided exactly the £5,000 needed for the work, and fascinating photographs of the intricate restoration work in progress at the Martin Johnson stained glass workshop have been displayed on the bus shelter notice board.

THE NEXT STEP

As with any historic building, the work of maintenance is an ongoing process. Our Victorian forbears did an amazing job of restoration of many of our historic churches but roofs (in particular) are now showing their age. Our roof is on relatively good condition, but the rainwater goods need overhauling to preserve the roof and prevent damp getting into the fabric of the walls. A major problem is the porch, which as a nineteenth century addition is doing its own thing and detaching itself from the church. So fundraising continues. Thanks to the tireless efforts of all concerned—and lots more fun to look forward to.

NEXT EVENT

Saturday 12th November from 10.00. **Coffee morning**
at 5 Manor Farm Court.

Huggate Emergency Plan

As winter approaches ... East Riding Council encourages all communities to have in place an Emergency Plan in case of flooding (possibly not a problem up here!), high winds, prolonged power cuts, major accidents and of course SNOW.

New guidance has just been issued, and the Parish Council

has looked at the previous scheme. Communities are encouraged to set up a **Community Emergency Group** to put a Plan in place.

Elements of the Plan can include:

- providing reference advice (contact numbers, "be prepared" advice etc.) for all residents
- planning responses to particular emergencies
- identifying particular local risks
- identifying people who can offer assistance
- agreeing communication channels (to receive information from outside, and to pass it on to the community)
- planning the location of a communications / action centre
- identifying vulnerable people in the community
- setting up mechanisms for checking on and supporting neighbours (we can all be vulnerable in different ways)

Setting up a worthwhile Plan will take work but could be a great help to the village.

If you might be interested in helping to set up the Plan or offering emergency assistance, please contact a Councillor or the Clerk, huggateclerk@btinternet.com

Annual General Meeting of the
High Wolds Heritage Group

7.30pm ~ Thurs Oct 13th
Thixendale Village Hall

The brief AGM will be followed by
an illustrated talk by
Steve Bence & David Bull (Rural Heritage Officer)
about an exciting new project at Hanging Grimston

Admission Free All welcome

Could you
sponsor an edition of Huggate News?

The editors hope that readers find something useful and of interest Huggate News (and *please* give us information about what is going on!). It only costs £10 an edition, for circulation to about 120 addresses, but month by month the costs mount up. We would be very pleased to hear from businesses or individuals who could sponsor an edition—we'd be happy to advertise your business or publicise birthday greetings!
