UNKNOWN GENTLEMAN

Following the query in last
month's Huggate News, a number
of people have asked about the
identity of the Gentleman
commemorated on the gate.

But unfortunately no-one has
come up with an answer.

If you can help, please let us
know!

This is your
opportunity to catch up
with the activity of the
Parish Council over the
last year, hear about
plans for the next year,
and raise issues that
you would like the
Council to consider. If
there is anything that
you would particularly
like to be discussed,
please notify any
Councillor as soon as
possible, to help with
planning the Agenda.

CONTACT AND CONTRIBUTE

Huggate News is produced by Jenny Zarek and Teresa Purdy. When the weather gets bad, we are less able to deliver hard copy to outlying addresses, so if you would like to receive future editions by email, please send us your email address.

You can contact Huggate News by email at huggatenews@btinternet.com, or in writing c/o Horsedale House or Orchard House. What we write is only as good as what you tell us, so PLEASE send news of events, opinions, comments—anything to share with your neighbours.

Huggate News congratulates Gunsmoke on achieving
the splendid age of 20. Many happy returns!

Huggate Amenity Project Group

A group is being formed to address improving the local amenities. The group has identified the following aims:

- To explore and present proposals for possible developments of amenities within the parish.
- To access funding and fundraise in support of new developments and the ongoing maintenance and enhancement of existing amenities.
- To consult the local community and provide a forum for the discussion of proposals.
- To support and encourage participation of parishioners in the implementation of projects.

There will be a **working party**
on Sunday 15th April at 10.30 a.m.

on the **lower green** to make a start on tidying up this area. Weather permitting there will be a 'Bring Your own BBQ' to follow. Please also bring any gardening equipment that you think we may require.

There will be an **open meeting** on Saturday 28th April at 10.30 a.m. (Free refreshments provided!) in the church to discuss our ideas and make some decisions about what the village wants! In the week prior to this there will be a display in the Church showing some possibilities for the future development of our amenities.

Thank you very much and I hope that you will support this project.
Sally East

MINSTER WAY—GRADE II LISTED BOUNDARY STONES

Unless you are exceptionally eagle eyed, you may not have noticed these stones. They're not easy to spot even if you know they are there! ERYC is looking for people interested in applying for Grant funding to repair these stones—although they are a little vague as to exactly how one would repair or conserve broken and crumbling pieces of sandstone.

The locations are 867538, 871539, 883542, 897545 on the Minster Way, and there is (a little) more information at www.britishlistedbuildings.co.uk

The stones are listed as “early 19th century” and apparently the historian David Neave is “enthusiastic”. The ERYC Conservation Officer mentions them as significant in relation to the estates of “monastery and priory” (though those establishments can hardly have been current in the nineteenth century!).

The stones are technically in the parish of Warter, but mark a boundary between Huggate and Warter. Anyone interested in organising a bid for funds could contact buildingconservation@eastriding.gov.uk, 01482 393721.

SUMMER FAIR

Have you enjoyed the Summer Fairs?
No-one has yet come forward to offer to organise a Fair this year.
No organisation—no fair!
