NEIGHBOURHOOD WATCH

has reported a number of burglaries recently.

If your property is stolen make sure you can describe it to the police by keeping a record of makes, models and unique serial numbers by registering the details onto www.immobilise.com. This is a web based property records system, endorsed and searchable by all UK Police Forces and second hand dealers.

If you update the database stating that an item is lost or stolen, it will be highlighted on police and dealer searches and should assist in returning items to their rightful owners and help bring offenders to justice.

If you want a member of police staff to create an account for you, all you need to do is click on

'immobilise@humberside.pnn.police.uk', fill in your name, address, contact details and your mobile phone details and submit the form. You will then receive an email from Immobilise to confirm your unique login details and you can add your other valuables at a time convenient to you.

How to use immobilise.com

- Get your IT and treasured possessions close to hand, go online and visit www.immobilise.com.
- Create your own free account following the simple instructions, before adding property details including any unique and searchable serial numbers.
- If anything you've logged goes missing, inform the police and update it as lost or stolen on www.immobilise.com to help police and registered second hand dealers recover and return your property.

HUGGATE NEWS

February 2014

ST. MARY'S CHURCH

Pancake supper

on Tuesday 4th March

at 6 pm
in the Church.

£2 for adults and £1 for children,
and the usual raffle.

Everyone is welcome and all
proceeds will go towards Church
Funds

Thank you to all who have helped with fundraising recently. This year £37,000 has been spent on repairs to the Church roof, guttering and porch, which should make the structure weatherproof for some decades; and renewed and improved the access path.

We are grateful for grants received from the Garfield Weston Foundation and the Allchurches Trust.

This year £1,500 will be spent on repairing the windows broken by vandals.

PARISH COUNCIL NEWS

People

We still have a vacancy for a Clerk, so if you might be interested and want to find out more, then please do contact one of the councillors.

As reported in the last Huggate News we have two new members on the council, so a big welcome to David Swann and Jacqui Lazenby. A goodbye as well though, as Noel Wright has resigned from the council. HPC would like to thank Noel for his time attending meetings and contributions to the discussions.

Small grants scheme

We have submitted an application to a Small Grant scheme run by East Riding of Yorkshire Council for additional salt bins. One of the problems with the salt piles is that they get washed away in wet weather. So we have applied for money to buy some small bins to be placed around the village. Having more bins will make it easier to access the salt in icy conditions.

The council is also planning to apply for funding for a new council noticeboard. This will be bigger than the current board, so that council documents can be seen more easily. It will also be vandal resistant. So fingers crossed we get the funding for this and the salt bins.

Oil buying scheme

Humber and Wolds Rural Partnership has offered to host a community meeting in the village to discuss whether a community oil buying scheme would benefit local residents. You may remember that they distributed a leaflet about the scheme before Christmas. HPC are happy to organise this if there are enough people who are potentially interested and would come to the meeting. If you want to find out more and are willing to come to a meeting to discuss the matter, then please contact one of the councillors before the 20th February 2014.

CLERK to Huggate Parish Council

The Council wishes to appoint a Clerk for administration of Council business,
2-3 hours per week.

Parish resident preferred

For further details, please contact
Linda Davies
(linda.davies20@talktalk.net)
or the Acting Clerk

The Acting Clerk to the Council would be very grateful if anyone feels that they could consider taking this on. It is an interesting way of being involved in the village, and an essential element of the functioning of the Parish Council.

Our Councillors give their time to the village, but cannot fulfil their role without a Clerk.

Unfortunately poor health means that I am not able actually to attend evening Council meetings, or always to do work promptly; this results in stress for me and poor service for the Council. A more able Clerk would be appreciated!
