Free Health Checks

Health trainers are helping people who are 40–74 years of age who live in the East Riding and are registered with an East Riding GP. People who haven't already been diagnosed with heart disease, stroke, diabetes or kidney disease, can get a free health check at a nearby base. The check takes about 30 minutes and takes place in a relaxing, stress-free environment with a friendly lifestyle advisor to talk you through every step.

You can book a health check by calling Freephone 0800 9177752, emailing healthtrainers@humber.nhs.uk or dropping into an NHS health trainer base at Bridlington, Goole or Withernsea. Health checks are available in Goole, Bridlington and Withernsea, East Riding Community Hospital in Beverley, and some leisure centres.

CONTACT AND CONTRIBUTE

Huggate News is produced by Jenny Zarek and Teresa Purdy. If you would like to receive future editions by email, please send us your email address. You can contact Huggate News by email at huggatenews@btinternet.com, or in writing c/o Horsedale House or Orchard House. What we write is only as good as what you tell us, so please send news of events, opinions, comments—anything to share with your neighbours.

PLEASE send information BEFORE THE END OF THE MONTH for the next edition, so that we can produce it promptly.

There are now vacancies for four Councillors. If you could offer some time for the village, please contact any Councillor about the possibility of co-option.

HIGH WOOD WIND FARM - further exhibitions

There will be new exhibitions at North Dalton Village Hall on Friday 14th November (2.00pm - 7.00pm) and at

Tibthorpe Village Hall on Saturday 15th November (10.00am - 4.00pm).

These will provide information about site investigation works that have taken place, and visualisations of the proposed development from surrounding areas.

Display material will subsequently be available at www.edf-er.com.

PLANT POTS

The leaves may be falling, but under the ground the plants are getting ready for next year

Rozelle Tilburn would be grateful for any donations of large plant pots in preparation for next year's Huggate Fair.

1 litre size or larger plastic pots for sale plants, and planters for bedding arrangements, please.

Please leave at Willow Lodge, Huggate.

Well done, Sue!

Thanks from Sue Dale to everyone for helping to raise the amazing sum of £1130 at her coffee morning in September.

Silent Killer—check your burners!

Blue-light services are reminding people to **have their fossil fuel and woodburning appliances checked by a registered engineer before winter sets in.**

Each year in England and Wales, carbon monoxide poisoning causes around 40 accidental deaths, over 200 serious injuries and 4,000 attendances at accident and emergency departments. The gas is known as the 'silent killer' because it is colourless, tasteless and odourless. Humberside Fire and Rescue Service has responded to over 150 suspected carbon monoxide incidents since 2010. Twenty of these were confirmed as carbon monoxide leaks and some sadly involved fatalities.

If anyone suspects that they are suffering from carbon monoxide poisoning, they should immediately turn off all appliances, go outside and seek medical help or call NHS Direct on 0845 46 47.

Nuisance driving

Could all residents in Huggate be vigilant to help identify who may have been responsible for the deliberate driving into blue bins left for collection outside Mill Farm and South Grange. The incident happened four weeks ago resulting in broken glass on the Pocklington Road. Please report any evidence to our Community Police Officer.

HUGGATE SOCIAL MEDIA

Have you noticed that there is a Huggate Village Community page on Facebook? - well, 24 people have. There are some interesting historic and more recent photos of the village—though they do make it look as if we have an awful lot of snow!

Good for sharing events, and sunnier photos.

Community CRIME SURVEY

The East Riding Community Safety Partnership is looking for residents' views about crime, disorder and community safety issues in their local area (15 minutes walk from their home). As well as asking if they think crime and anti-social behaviour has increased or decreased, they want to know the greatest concerns about crime, disorder and safety and if you have been a victim of crime and anti-social behaviour in the last 12 months.

The survey takes no more than 5 minutes to complete, and is at www.eastriding.gov.uk/corp-survey/snapform/P01615/jsia.htm

The information will help inform the Community Safety Partnership what their priorities should be in the next year. The closing date for completing the survey is Wednesday 26 November 2014.
