

# PERMISSIVE ACCESS

You are welcome to use this permissive linear access that has been created under Natural England's Environmental Stewardship Scheme. The route extends the network of footpaths available to the public around Huggate and the adjacent stretch of the Wolds Way. The linear access footpath provides a link to the Open Access (CRoW) land in Holm Dale and the north section of Horse Dale. The farm is being managed for livestock and wildlife, so please keep dogs under control.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code, any local signs and any CRoW access land restrictions - see [www.countrysideaccess.gov.uk](http://www.countrysideaccess.gov.uk). Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2016.
