

Thank you for completing this survey. If you would like us to contact you about any new or improved transport services we may be able to develop please give your main household contact details here:

Name: .....

Address: .....

Telephone number: .....

Email: .....

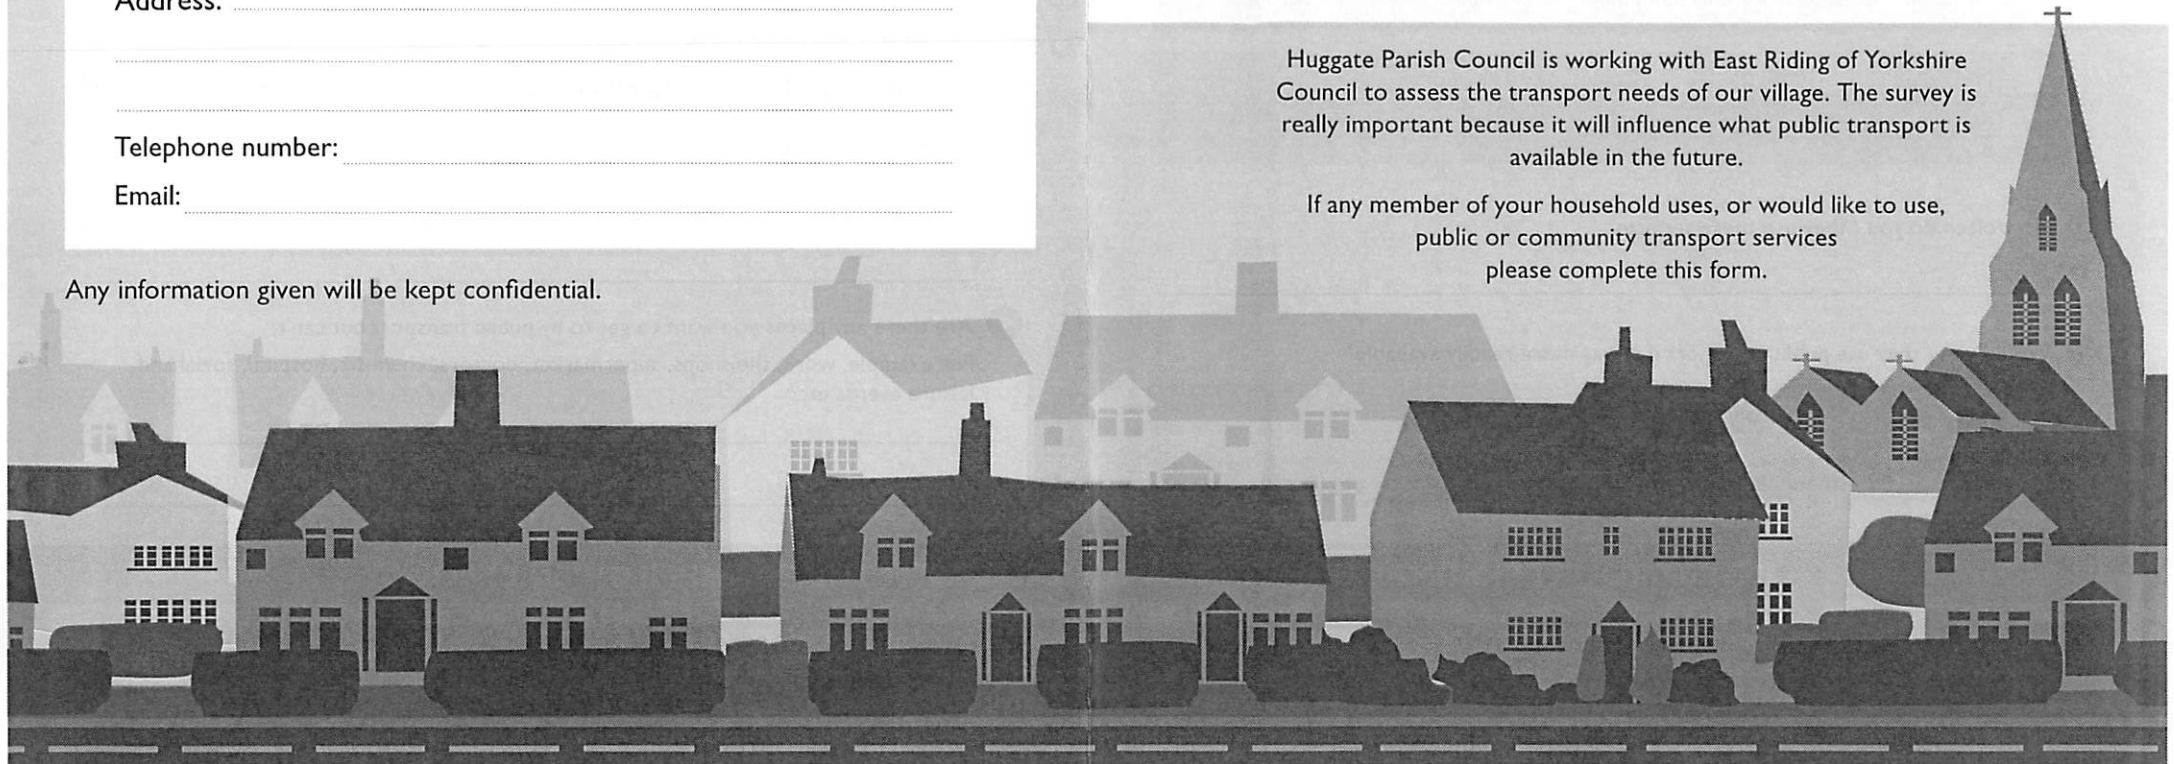

Any information given will be kept confidential.

# Huggate Parish

## LOCAL TRANSPORT SURVEY

Huggate Parish Council is working with East Riding of Yorkshire Council to assess the transport needs of our village. The survey is really important because it will influence what public transport is available in the future.

If any member of your household uses, or would like to use, public or community transport services please complete this form.

Please deliver completed forms by Sunday 7 February to the Wolds Inn or to Coucillor George Fuller.

If you would like your survey collecting please call Cllr Fuller on (01377) 288464.
